SHUBHENDRA CHATURVEDI

chashubhendra@gmail.com — +91-7398439250 — LinkedIn — GitHub

Career Objective

To build a strong career in the field of computer science by applying my programming, analytical, and problem-solving skills to real-world challenges. I aim to continuously learn and adapt to emerging technologies, enhance my technical expertise, and contribute effectively to the growth and success of the organization. I am motivated to work in a dynamic environment where I can collaborate with teams, innovate solutions, and develop impactful software applications.

Work Experience

Summer Training — ByteXL **Jun 2025 – Aug 2025**

Trainee Engineer

- Gained practical experience in web development technologies such as HTML, CSS and Java Script.
- Built a small-scale frontend project demonstrating responsive UI design and component integration.
- Improved debugging, testing, and problem-solving skills through hands-on exercises.

Skills

Languages: C, C++, JavaScript
Web: HTML, CSS, React, Vite
Database: SQL
Tools: Git, GitHub, VS Code
Core Concepts: Data Structures & Algorithms, DOM Manipulation, Responsive Design

Projects

Recipe Finder — HTML, CSS, JavaScript

- Built a responsive recipe search application using TheMealDB API.
- Integrated TheMealDB API to fetch real-time recipes, categories, ingredients, and cooking instructions.
- Enhanced UX with custom loaders, animations, dynamic rendering, and optimized DOM operations.
- Implemented live search, category filtering, and dynamic DOM rendering.

Trekify — Sustainable Tourism Optimization (Conceptual research project)

- Performed an in-depth literature review on travel-optimization platforms focusing on sustainable and user-centric tourism solutions.
- Analyzed data-driven methods to enhance travel efficiency, improve route planning, and reduce environmental impact.
- Evaluated eco-friendly tourism practices and explored ways to integrate responsible travel options into digital platforms.
- Identified key features that improve user convenience, exploration, engagement, and overall travel experience.
- Proposed a conceptual framework for a smart tourism system that aligns sustainability with modern travel optimization.

Positions of Responsibility

Event Coordinator — Chandigarh University **Jan 2025 – June 2025**

- Coordinated teams and vendors for smooth event execution.
- Improved participant engagement through strategic planning.
- Led volunteers and managed on-ground logistics.

Volunteer — C Square Club **July 2024 – DEC 2024**

- Assisted in organizing technical workshops and coding sessions.
- Coordinated participants and supported team operations.

Education

B.E — Chandigarh University **2022–2026**
CGPA: 7.57 / 10

Intermediate — P G Senior Secondary School **2020–2021**
Percentage: 84.2%

Matriculation — P G Senior Secondary School **2018–2019**
Percentage: 87%

Achievements

- Solved 400+ DSA problems across platforms.
- Solved 100+ problems on LeetCode.
- Participated in multiple hackathons.
- Got 1st rank in science exhibition in School.

Certifications

- Computer Organization and Architecture — NPTEL
- Foundation of Project Management — Coursera
- NoSQL — Coursera

Interests and Hobbies

Exploring new things, Writing, Traveling, Planting, Nature Lover, Current Affairs
